Freeform's distinct brand of young adult programming helps to position it as the No. 1 primetime cable network in entertainment among Women 18-34 and No. 2 among Adults 18-34 in the 2022/2023 TV season to date. Connecting to audiences with its bold original programming and immersive social engagement, Freeform channels the force and momentum of its young adult audience in its quest for progress with authentic, groundbreaking original series such as Emmy(R)-nominated "grown-ish," "Good Trouble," and "Cruel Summer," which returned in 2023 with the network's most-watched telecast in two years (4.3 million total viewers across linear and digital platforms in the first 35 days available).
