**About The Academy**

The Academy of Motion Picture Arts and Sciences is home to a global membership of more than 10,500 of the most accomplished film industry artists and leaders. The Academy recognizes and celebrates all aspects of the arts and sciences of moviemaking through renowned awards for cinematic achievement, including the Oscars®. With the largest film-related collection in the world, the Academy is a leader in the fields of conservation, preservation and exhibition of film-related objects and materials. Through its Academy Museum of Motion Pictures, the Academy presents powerful exhibitions, screenings and programs about cinema's past, present, and future. The Academy also inspires young artists and creates opportunities for underrepresented communities to engage with the film world. Across all initiatives, the Academy connects global audiences – its members, the film industry, and film fans – through their shared passion for making and watching films.
