## Magazine Highlights October 2019

Look for the October issue online now and on print newsstands Sept. 24 [VANISHING](#) By [Elizabeth Kolbert](#), photos by [Joel Sartore](#)

- **WHAT WE LOSE WHEN ANIMALS GO EXTINCT:** Joel Sartore has been photographing animals for his [Photo Ark project](#) for 13 years, with the goal of photographing all species living in zoos and wildlife sanctuaries around the globe in order to inspire action to save wildlife. In an increasing number of cases, animals housed in zoos or special breeding facilities are among the last remaining members of their species; in some instances, they are the only members. This feature explores the mission of National Geographic photographer Joel Sartore and his Photo Ark project.

Joel Sartore's book [The Photo Ark Vanishing: The World's Most Vulnerable Animals](#) is available in bookstores and online now.
